

# Celebrating Excellence

## HONOURING OUR BEST

HIM&CC, the official Media Sponsor of the Gala Awards, congratulates the recipients of the 2009 awards.

The 2009 Canadian Health Informatics Awards Gala held in Toronto on November 19, 2009 at the Four Seasons celebrated the excellence and achievements of the Canadian Health Informatics community. Hosted by COACH and ITAC Health, the Gala is an outstanding event that publically recognizes the contributions of individuals and companies in the efficacious use of information and technology towards the improvement of health for all Canadians.

Plans for the 2010 Gala are already underway. Make sure to make the next Gala a part of your 2010 networking and social event calendar!
